THE BROOK THEATRE

AT BOLINGBROOK HIGH SCHOOL

Welcome to The Brook Theatre! We are excited to present this year's Fall Play

“A Delightful Quarantine”!

An extra-terrestrial "invasion" of the suburban, middle-class community of Susqua Creek Acres, Pennsylvania places its human residents and visitors under sudden house-bound quarantine. Secrets get revealed, conflicts erupt and recede, long festering wounds are dressed, and friendships and relationships terminated or reinstated.

A Delightful Quarantine presents audiences with the interwoven stories of a mother reunited with the daughter she gave up for adoption thirty-two years earlier; a man with a secret that upends his marriage; a woman with fourteen cats, all invisible; a foiled house burglary that must wait three days for the police; a rekindled high school romance; two young couture-obsessed little girls "home alone" for the duration; and a brother who cannot honor his sick sister's greatest wish.

Thank you for joining us and **ENJOY THE SHOW!**

THE DIRECTOR'S NOTE

This quarantine has been anything but “delightful” for all of us for a myriad of reasons. With all of the uncertainty surrounding the last several months, I struggled to select a script that would work with what we wanted but could be adapted to fit new circumstances at a moment’s notice. We looked at radio plays, Agatha Christie mysteries, and a figurative “ton” of other plays until we felt that *A Delightful Quarantine* fit what we needed. It’s been an interesting and fun challenge to put it on with limited time and resources.

Although nothing about this process has been ideal, I’ve really been “kept afloat” by working with these artists -- the pandemic hasn’t changed that at all. As I told the other directors from the beginning, and as I shared with the students regularly, my only goal these past two months has been to give our students an opportunity to create theatre in any way possible. My only regret is that we didn’t have the ability to do more, but I’m glad we’ve created what we have.

I’m immensely grateful for the support of the faculty, parent volunteers, and students who have worked tirelessly in a very short time to put this together. I’m thankful for our building administrators for giving us guidance and support in mounting this show.

To our seniors, for whom this is your last “fall play” at BHS - - I hope that after the dust settles and the wounds heal that you’ll look back on this experience as a crazy and fun story to tell. Your passion hasn’t wavered, and I’m very glad you’ve been with us this whole time.

A final thank you to my amazingly patient and supportive wife, Jen. Thank you from the bottom of my heart for being behind me during this time. I absolutely could not do this without you -- for a myriad of reasons.

WHO'S WHO IN THE QUARANTINE

WHO'S WHO IN THE QUARANTINE

Grace Avery (*Barbara Middlebrook*). Grace is so happy to be back on The Brook Theatre stage. Some of her previous roles include Lodovico in Othello, Ensemble/Dance Captain in Jekyll & Hyde, Diana in Lend Me a Tenor and Janet Van De Graff in The Drowsy Chaperone. Grace would like to give a special thanks to Mr. Morrison and Mr. Wayne for working so hard to give the cast an opportunity to perform in these crazy times.

Kyara Chisolm (*Violet Bassey*). Hello and welcome to my bio! My name is Kyara and I'm a senior here at BHS. I've been in 2 plays and one musical here, I'm in two choirs, thespian society, and I'm in the improv troupe. This has been such a fun show to do and I'm so glad we were able to do theatre despite the current circumstances. I hope you all enjoy the hard work we've put into this show. Have fun!

Kaitlyn Ciszczon (*Jennifer Wiggins*). This is my first play at BHS and I am so excited to be a part of this wonderful program! I look forward to being a part of many more shows!

Lizzie Ciszczon (*Crew*). This year has very different and difficult for everyone. But I am very excited for you to see what we have put together for this fall play.

Ewan Gorski (*Roy Robbins*). Ewan is excited to return to the bhs stage as roy in a delightful quarantine. His past roles include. Sven, Aladdin, and simba at theater on the hill. Prince Eric at bhs stages and most recently a pastry chef at bhs. Even in these tough times I hope we are able to distract you from the troubles of the world and bring a smile to your face.

Katherine Karafotias (*Paula Middlebrook-Clobb*). This is Katherine's second fall play at BHS and is excited to have a feature role. Katherine has been in many productions including tech crew in Lend Me A Tenor, Theatre on the Hill, Broadway After School, and Valley View STAGES productions as "Ursula" in The Little Mermaid Jr, and ensemble in James and the Giant Peach Jr. She also performed in Long Story Short, & IMPROV. She is a member of Sunrise Singes, and Madrigals. She is very excited to be a part of this wonderful theatre department and is looking forward to all of the upcoming productions!

Trevor Lamb (*Crew*). Trevor is a senior at BHS and has been apart of the theater program at BHS since freshman year. He has been in 6 different productions including this year's fall play, "A Delightful Quarantine"! Trevor is also very involved in the music department. He is apart of Wind Symphony and is also a Madrigal. Trevor has been apart of the pit during previous musicals, sound crew in previous plays, and even an actor in last year's "The Drowsy Chaperone". He hopes that you enjoy the hard work and dedication that everyone has put into this production of "A Delightful Quarantine"!

WHO'S WHO IN THE QUARANTINE

Aliya Llereza (*Mavis Jemco*). I'm grateful for the amazing opportunities and memories that I got to experience at BHS. And with everything that's going on, I'm happy I was able to create theatre history in the middle of a pandemic during my senior year. The Speech team coached by Mrs. Tapley and the Fall/Spring play directed by Morrison Wayne and Co. shaped me into the person I am today, and I'm glad I was able to share all 4 years of my high school experience with this family. You guys will be missed!!!

Kelli Medina (*Kitty Civette*). Kelli Medina is thrilled to be playing Kitty in *A Delightful Quarantine*! She especially likes Kitty because of her name and her . Kelli loves theatre, and her past roles include Bellhop in *Lend Me a Tenor* (2019), Bianca in *Othello* (2018), performing in the ensemble for *Jekyll and Hyde* (2019) & in *Long Story Short* (2017), and she has also played Flute in the pit for *The Little Mermaid* (2018). She plans to continue theatre both during and after college, highly suggests you try acting, thanks Mr. Morrison and Mr. Wayne for being amazing directors, and of course hopes you enjoy the show!! :)

Carrie Mills (*Carlotta Dempsey*). Ever since Carrie could talk she would memorize and perform entire scenes from movies. She has never been nervous and never had any stage fright in front of a crowd, so theater was an obvious choice for her. Not having any theater opportunities in her previous school, she was excited to audition for the first time in her 8th grade musical, "The Fiddler on the Roof" where she got the role of Hodel. She is now playing the role of Carlotta Dempsey in the BHS fall play and is excited to continue theater at BHS.

Zach Mottlow (*Tug Goff*). Zach has been in various productions over the course of his 3 years of doing theatre, and he is super excited to take part in his first and final fall play production as the role of Tug. While this situation isn't ideal, the cast made the most of this production and had a lot of fun doing it!

Nadia Nelson (*Bethany Robbins*). I am 16 years old and I have been interested in acting for 5 years. I plan on being a movie actress but wanted to get my start in school theatre. Being in BHS theatre has helped me come out of my comfort zone and helped me become a better actress. I hope to one day move to California to start my film career but in the meantime I will continue to act on stage at Bolingbrook High School and expand from there!

Hannah Parker (*Judeen Dempsey*). I am senior in high school and I am so happy to be Judeen in "A Delightful Quarantine". I was in backstage throughout freshman and sophomore year before acting and being in *Long Story Short* and the Spring Musical "The Drowsy Chaperone". I am excited to work with a bunch of awesome actors and techies and pull off an awesome show!

WHO'S WHO IN THE QUARANTINE

Cydney Thomas (*Shirley Wiggins*). Cydney is very excited to be a part of this production! As a freshman, this is her very first BHS show. However, she has been in both Valley View STAGES The Little Mermaid Jr as "Aquata" and James and The Giant Peach Jr as "Ladybug".

Arianna Watts (*Crew*). Arianna has loved music and theater ever since she was little and is very excited to be doing projections in ADQ. Over the years Arianna has acted in Joseph and the Amazing Technicolor Dreamcoat as well as Jekyll & Hyde at BHS, Annie Jr. with Broadway afterschool, Legally Blonde with theater on the hill, and numerous plays during her time at Brooks Middle School. Also, Arianna did construction for Lend Me A Tenor and is doing Projects for A delightful Quarantine. When not on-stage Arianna also enjoys playing the French horn, volunteering in the community, hanging out with friends, and spending time with her family. Arianna would like to thank everyone who supports and encourages her in all her endeavors.

David Whatcott (*Chester Banderhorn*). David has been performing on the BHS stage since his sophomore year, first appearing as the Bishop of Basingstoke in Jekyll & Hyde. He has since played the role of Mr. Saunders in Lend Me a Tenor and rehearsed to play the role of Mr. Feldzieg in The Drowsy Chaperone, though we were unfortunately unable to perform the show. Before High school, David performed in various plays and musicals in Middle School and through community theatre. This will be his last year at BHS, but he has had a blast participating in theatre here and hopes to be able to keep participating in some form or another after high school. He hopes you enjoy this year's production of A Delightful Quarantine.

Nate Worlton (*Luke*). Nate has been in theatre for his 4 years in high school. He currently serves as Thespian president and A-Wing It Improv co-captain. He was the Man in the Chair in last year's cancelled musical, and also played Roderigo in Othello his sophomore year. He's super excited to perform for everyone and hopes you all enjoy the show!

Roya Zaucha (*Sue Stadler*). Roya Zaucha is a sophomore at BHS, super grateful to have the opportunity to perform and do theatre during these times. These times- an escape to another person's story, another world, is just what is needed. "To be another person, to wash away all the troubles and thoughts of the real world, is what I love. Theatre is my escape. Theatre is where I can sing and dance and act and just put myself out there, vulnerable. That's all you really need to know about me, I'm just here to share with you this thing I'm truly in love with. Enjoy :)"
