THE BROOK THEATRE

AT BOLINGBROOK HIGH SCHOOL

**Welcome to The Brook Theatre! We are excited to present this years
Spring Musical "The Little Mermaid"!**

Based on one of Hans Christian Andersen's most beloved stories and the classic animated film, Disney's The Little Mermaid is a hauntingly beautiful love story for the ages. With music by eight-time Academy Award winner, Alan Menken, lyrics by Howard Ashman and Glenn Slater and a compelling book by Doug Wright, this fishy fable will capture your heart with its irresistible songs, including "Under the Sea," "Kiss the Girl" and "Part of Your World."

Ariel, King Triton's youngest daughter, wishes to pursue the human Prince Eric in the world above, bargaining with the evil sea witch, Ursula, to trade her tail for legs. But the bargain is not what it seems, and Ariel needs the help of her colorful friends, Flounder the fish, Scuttle the seagull and Sebastian the crab to restore order under the sea.

We invite you to visit our newly created website at **www.TheBrookTheatre.org** for information on upcoming shows, calendar of events, photos, news, thespian info, and much much more!

Thank you for coming and **ENJOY THE SHOW!**

Director's Note

What a ride it has been these past twelve months! When we started making preparations back in April of 2017 it was a blast to dream of all the different possibilities we had with this show. We knew from the start that we had a chance to produce something special. Once we got to around August we started to realize just how grand of a task this would be. I can not express enough the

amount of gratitude and admiration I have for our entire production team. The countless hours that have been put in from all members included has been nothing short of special. I count myself blessed to be able to put on these elaborate productions that would not be possible without this amazing staff.

As is the case every year the amount of talent and growth I see from our students is incredible. One of the rewarding parts of being in my position is I get to see their growth in many cases three to four years. Seeing them hone their craft over the years and grow as leaders may be the most rewarding part for me as the director. I am so pleased with this group of students. They have shown class, dedication, leadership, teamwork, and immense talent during this whole process.

Thinking back over the past year there are so many things to be proud of. It truly has been quite the journey. We have gone through our fair share of challenges as is to be expected with a production of this size. My hope is that we might bring a night of entertainment to all of you which is why we put ourselves through this grind. I want to thank you for all of your support for these wonderful students. A tremendous shout out to my beautiful and supportive wife, Allison. She has had to endure the many hours of me being away from home taking care of our four children. I love them dearly.

Please enjoy the show and I am thrilled for you to experience our journey "Under the Sea".

Who's Who

Spencer Avery (*Prince Eric*). Spencer appeared as Dr. Bennett in the 2018 IHSTF All-State production of *Big Fish* and Aldolpho Pirelli in the 2017 IHSTF All-State production, *Sweeney Todd*. Bolingbrook High School theatre productions include; *Orcus / She Kills Monsters*, *Curtis Jackson / Sister Act*, *Donkey / Shrek, the Musical*, *Karl Linder / Clybourne Park* and *Anon / Anon (ymous)*. Spencer played J. Pierreponte Finch *How to Succeed in Business Without Really Trying*, Robertson Ay in *Mary Poppins* and as a guard in *Spamalot*; all at Bolingbrook's Theatre on the Hill. Spencer was a 2016 semi-finalist for the Illinois High School Musical Theatre Awards and earned his place in the IHSA All-State Honors Choir in both 2017 and 2018.

Rachel Banda (*Ariel*). Rachel is so excited to be finishing her senior year with "The Little Mermaid"! You may recognize Rachel from her previous performances in "Sister Act" (Mary Robert), "Clybourne Park" (Lindsey), and TOTH's production of "How to Succeed..." (Rosemary). Rachel also was a student director at BHS this fall and performs with BHS's Madrigal Singers and the A-Wing It improv troupe. Next year she will be attending college to major in musical theater. She would like to thank her supportive friends, family, and directors for helping her grow so much and begin pursuing her dreams!

Mervin Bartolome (*Grimsby*). This is Mervin's first musical and is more than happy to be a part of this wonderful experience. Though you may not have seen him in past musicals, Mervin has been performing with the Sunrise Singers for 4 years and with Madrigals during his junior and senior year. Mervin would like to express his thanks and gratitude to his friends, family, and teachers for their support.

Christopher Bavaro (*King Triton*). This is Chris's third musical, & he's grateful to be playing the legendary King Triton. He was the flautist & piccolo player in *The Mystery of Edwin Drood* & *Shrek the Musical*. He would like to thank Mr. Wayne & Morrison for their support & his parents, especially his dad for assisting him with his weight training. The thought of being shirtless whipped him into shape.

Sarah Bouhuys (*Adella*). As a senior, Sarah is super excited to be in her fourth musical production at BHS. She is also involved in band and choir, and has recently enjoyed her last season of marching band at this school. Although it is a little bittersweet, Sarah can't wait to perform in her final show!

Amiri Bradford (*Crew*). This is my first spring musical and I am very excited for it.

Joe Callahan (*Crew*). Joe is very excited to be chosen as the Construction Chief for his final spring musical at BHS. He has enjoyed being part of the BHS theater department since his freshman year. It has opened up several opportunities for him that he will carry with him as he moves on to college to study scenic design in the fall. He has just completed his second year of participating in the Illinois High School Theater Association all-state production. This would have not been possible without the support of the theater directors at BHS. He is looking forward to putting on a great show to end his high school theater career. He hopes you enjoy the show!

Dalton Carr (*Crew*). Dalton is having a great year and it is mostly thanks to the shows like *The Little Mermaid*. For him, these aren't just productions but an experience that he gets to share with all of the crew. He has been in many productions since he has entered high school, such as *Clybourne Park*, *Sister Act*, and *She Kills Monsters*, and he is looking forward to even more!

Haley Carr (*Student Technical Director*). Haley is proud to be a part of her final show at BHS.

She started in Shrek and Sister Act as a member of the fly crew and was the Fly Chief for She Kills Monsters. She is excited to be the Student Technical Director for Little Mermaid and to be able to continue her theater experience into college. Haley is going to Illinois State University in the fall for Theater : Design/Production and will minor in Film and Music. Theatre changed her life for the better and she would like to thank and congratulate the rest of the cast and crew for creating such a positive environment that helped her thrive; finding passion that she never knew she had.

Kendra Carrillo (*Ensemble*). Kendra is really excited to be a part of her first musical here at BHS. She has been involved with many activities around the A-wing like band, choir, Thespian society and recently the BHS speech team, but this is her first production at BHS. This wasn't without a few bumps in the road but it was all worth it because the memories and friends she's made are irreplaceable. She would like to giving a ton of thanks to her parents who have provided so she can be a part of this amazing production and who have listened to her practice, stress and tell numerous stories at the dinner table. I love you Mom and Dad!

Xavier Chapman (*Pit Orchestra - Saxophone*). Xavier was doing things with music and he was like "hey this looks cool." That is the story of how he got involved with pit in Sister Act. Xavier does stuff like blow air into an instrument and does things with his feet in the Raider Marching Band. There have been many new people that Xavier has met and he is grateful for all of them. Aquatic crickets and Raider Golf. That is all.

Manyah Chatman (*Maid, Princess, Arista*). This is my first musical but not the first time I acted in a play, and I enjoyed everything that I have been apart of so far. Thank you.

Kyara Chisolm (*Flotsam*). Kyara is ecstatic to be in her first Spring Musical at BHS as a student and is honored to be able to work with such an amazing cast and crew. You may have seen her in the BHS production of Joseph and the Amazing Technicolor Dreamcoat when she was in 5th grade and the BHS women's choir, Bella Voce. Kyara is also a member of the A-Wing It improv troupe. Kyara would like to thank her directors for letting her be a part of such a fun show and she hopes you all have fun UNDER THE SEA!!!

Tina Chocian (*Tentacle*). I'm super excited to be in my first musical! Being a senior without any history in theatre, I was so happy to be picked as part of this show. There's no part too big or small, I'm proud to portray a tentacle. And I hope you enjoy watching the show as much as I enjoy performing!

Luke Chow (*Project Lead*). Luke finally realized that bios are in the third-person. This changed nothing. Luke is still the best Project Lead that will ever walk the face of the Earth.

Jacob Chow (*Rigging Chief*). Jacob is not only a hard worker, but is also an amazing teacher, helping instruct and guide the new techies. He is also a righteous man.

Angie Cojulun (*Pit Orchestra - Flute*). Angie Cojulun has been in band all four years of high school. She's been in symphonic band for the last three, and this is her first year being in the pit. She played the flute in marching band for three years and was section leader for her last season. She would like to thank everyone who supported the music department these past years, as it has made her high school career so much more enjoyable.

Joshua Coronado (*Co-Master Electrician*). Joshua is glad to be apart of this musical production. He has been doing lighting for Bolingbrook High School Theatre department for 3 years. His lighting and Tech capability does not end there he has been doing Tech and Lighting for Magical Starlight Theater in Naperville for the past 5 years.

Amanda Crisp (*Ensemble, Gull*). Amanda has been waiting for this play for almost year. She spent the entire summer listening to soundtrack and she is way too excited to put on this show. Amanda has also been apart of Theater on the Hills productions of West Side Story and How to Succeed in Business Without Really Trying. Amanda was also apart of Bolingbrook High School's

2017 fall production of *She Kills Monsters* as Kaliope. Amanda hopes you enjoy watching this production of *The Little Mermaid*.

Tara-Lynn Derong (*Pit Orchestra - Clarinet*). [something witty again]

Hope Dowell (*Crew*). The spring musicals where always the best in my opinion. You get to do so many things and learn so much from it. Plus you get to just have fun while doing it. And I would encourage other people to do it to weather its crew, acting, or pit just try.

Gabby Doyle (*Allana, Sea Creature, Princess*). Gabby is extremely excited to be finishing her time with The Brook Theatre with it's 2018 spring musical, *The Little Mermaid!* These past 4 years have been amazing and she is so thankful for all the opportunities she's had because of the amazing program. You may have seen her in *The Mystery of Edwin Drood* (Ensemble), *Shrek* (Humpty Dumpty) and *Sister Act* (Deloris Van Cartier). She is also involved in the Thespians, Choir, and Band. She would like to thank her amazing directors for their incredibly hard work these past 4 years she's been here. She also would like to thank the most important person in her life, her dad. She wants him to know that without him, she wouldn't be standing on that stage, and wants to thank him for all his unconditional love and support, her final moments on this stage are dedicated to him. She cannot wait to see what the future has in store for her!

Alex Doyle (*Crew*). This is my first time doing tech in a musical. My sister Gabby Doyle wanted me to follow along so here i am. I'm excited to be apart of this production.

Morgan Dudaryk (*Audio Crew Chief*). Morgan is so proud to be a part of *The Little Mermaid*. Jose has had a blast with this production and has enjoyed every minute with the cast! Break a leg everyone!

Chris Hallum (*Pit Orchestra - Bass*). Chris is excited as this is his third straight year doing bass in the pit. He began with Shrek the Musical, and did last year's production of Sister Act. She is super excited to continue pursuing her instruments after high school.

Richard Konieczny (*Pit On Trombone*). Last year i was a part of Sister Act last year. That was quite fun, i enjoyed it very much. I wanted to participate this year but there was no trombone Part, so Ms. Garza is having me play the Cello part. It's a pretty nice experience.

Elaine Koppel (*Ensemble*). Elaine is very excited to be a part of the Bolingbrook High School's production of the little mermaid :)!

Hi, my name is Charlie Madura and I'll be your host for the evening. To get to know a little more about me, we're gonna start off with my previous experiences, such as but not limited to Sister Act the Musical, Clybourne Park, and She Kills Monsters. You may have also seen me perform in Jazz Band 1 or Wind Symphony concerts totally going absolutely bonkers on the vibraphone cuz I just shred that thing like no tomorrow, because I'm in those groups too. Oh and Marching Band and A-Wing It the improv group that as well. Now you're probably expecting me to say something like "Charlie is very excited to be in

the musical this year hooray" but no I'm not about that, my guy. . . I AM STRAIGHT UP THOROUGHLY ENCOMPASSED WITH PURE EXHILARATION TO BE IN THIS MUSICAL half because like it's fun I guess and THE OTHER HALF BECAUSE IT'S TOTALLY FUN AND I KNOW THAT WITHOUT EVEN NEEDING TO GUESS! sorry for being extra and stuff but I'm in a good mood while writing this and I hope you enjoy the show and that I don't mess up at all cuz that would suck.

Seeing as he, like most people, grew up watching Disney movies and such, *The Little Mermaid* seemed like a good start to him. He also wishes for people to enjoy the show and for them to tell their friends! (THAT MEANS YOU TOO ;))

She would like to congratulate all her friends who are performing behind the stage and on it, and is hoping to make some great memories!!

Kesley Van Dahm (*Aquata*). Kesley Van Dahm has had a calling to perform on stage and being a part of *The Little Mermaid* has been the highlight of all she has done. Starting out at the age of seven she has performed in many church musicals and madrigals dinners. With Halo Academy she played Tink the Tea Cup in *Beauty and the Beast* and Sandy in *Annie*.
