DIRECTORS NOTE

I am so thrilled to once again have these amazing students back on the Brook Theatre stage doing what they love to do. I am so proud to have seen time and time again how these students and staff have risen to the challenge. It isn't easy to go into a production of this magnitude with so many unknowns and yet everyone involved handled it with class. I couldn't be more proud.

It would be easy to count off the number of things that were not in our favor this year, but I can't ignore the positives. I am excited for this style of production that you are about to see. A musical Extravaganza! This style of production has allowed for so many more students to have their time in the spotlight and perform songs they might not otherwise have been able to perform under normal circumstances. We added an entirely new student crew with video. The amount of time and effort that has been put into this has been astounding and has established what I hope to be a firm foundation moving forward. I am sure through the viewing of this show it will be clear how our students and staff and demonstrated that this is not just any ordinary high school production, but a Brook Theatre production. Finally, I can't fail to mention how awesome it is that technology has allowed for viewers all over the country to see this production where under normal circumstances they would not have the means to see us in person.

I would like to thank my amazing production team for their flexibility and dedication to our students. I want to thank our amazing parents who continue to support us without any thought of reward or recognition. Thank you to the students who continue to impress us with your outstanding character, talent, and upbeat attitude. And finally, a special thank you to my wife Allison for being the rock that she is. Handling the many hours home alone with our five boys while I am away doing what I love to do.

Please enjoy the performance. We will certainly miss the energy you bring to us with a live audience, but we are so thrilled to have this chance to entertain you. Thank you again for all of your support for the fine arts and these amazing students.

Cydney Thomas (*Performer*). Cydney is beyond thrilled to be performing in this Musical Extravaganza! You may have seen her in the production of A Delightful Quarantine as Shirley Wigglin. Cydney really hopes that you enjoy the show!

Danielle Louise Vidad (*Crew - Paint*). Dani is super pumped to be behind the scenes of yet another Brook Theatre production! She can usually be found working on the set and bantering with her friends in Paint Crew. She can't wait for you to see all the hard work everyone's put in for this Musical Extravaganza! P.S. Much love to Ma and Dad! :)

Arianna Watts (*Video/Content Creation Chief*). Arianna has loved music and theater ever since she was little and is very excited to be a video crew chief for the Musical Extravaganza. Over the years Arianna has acted in Joseph and the Amazing Technicolor Dreamcoat as well as Jekyll & Hyde at BHS, Annie Jr. and Legally Blonde with theater on the hill, and numerous plays during her time at Brooks Middle School. Also, Arianna did construction for Lend Me A Tenor, Paint for A Drowsy Chaperone, and did Projections for A Delightful Quarantine. When not on-stage Arianna also enjoys making music, playing the French horn, volunteering in the community, hanging out with friends, and spending time with her family. Arianna would like to thank everyone who supports her in her dreams and aspirations, and helped to turn her dreams into a reality, especially during these difficult times.

David Whatcott (*Pit Orchestra - Trumpet*). This is David's first year playing in the pit orchestra, although he has previously been seen acting onstage at BHS. He has had a lot of fun getting to participate both as an actor and a player for the pit here at BHS. This is his final year at this school, but he hopes to be able to continue participating in theatre while in college and beyond. Most importantly, though, he hopes everyone enjoys the show!

Isabella Wilson (*Crew - Sound*). This is Isabella's third production at BHS. This will be her second show in sound. She is very excited to be in another production and you'll definitely see her in next year's shows.

WHO'S WHO

Elizabeth Wolny (*Crew - Video & Props*). This is Elizabeth's first year with the Brook Theatre crew and she is very excited to see this Musical Extravaganza! Elizabeth would like to thank her family, friends, and directors for all their support.

Nate Worlton (*Performer*). This is Nate's fourth and final musical at Bolingbrook High School. He is so happy to be able to perform this time around and will miss being on stage here. Nate's especially grateful for his four older brothers for inspiring him to keep practicing and learning. He's currently serving as President of Thespians and is Co-Captain of the improv team. He hopes you enjoy the show!!!

Annabeth Yeung (*Pit Orchestra - Piano*). Annabeth Yeung is really, really excited to be participating in Extravaganza! this year. This will be her 4th year being involved in the spring musical, 3 of which were spent in pit and 1 on stage as an actor. She is looking forward to seeing how the show will turn out this year and had a ton of fun playing keyboard in pit this year. Although this year is a little different than normal years, she thinks that Extravaganza! is unique because it has such a huge variety of songs from all sorts of musicals, and thinks that ending her high school theatre career with a diverse show is pretty cool.

Roya Zaucha (*Performer*). Roya Zaucha is a sophomore at BHS and done shows every since elementary school. From Disney to Broadway classics, Roya also found her love for dance early on, exploring ballet, jazz, hip hop, and more. Music and performing has always been a big part of Roya's life, and one of her favorite things to do is perform gigs with her brother, Aval. Please enjoy the show!

Aval Zaucha (*Performer*). Aval is extremely excited to be part of The Brook Theatre's Musical Extravaganza! He's so incredibly glad to put on a wonderful show with many wonderful people for his last year at BHS. It's been very fun to work with a lot of talented people on the stage for this production, and he hopes that you enjoy his time onstage and the entirety of The Musical Extravaganza!

Samantha Zielinski (*Stage Manager*). Sam is excited to be the stage manager for this Musical Extravaganza. She has worked on previous shows such as The Little Mermaid, Othello, Jekyll and Hyde, Lend Me a Tenor, Drowsy Chaperone, and A Delightful Quarantine. She hopes you have a wonderful time while viewing this show.
