DIRECTOR'S NOTE

It is hard to believe that this is now my sixth musical here at BHS. I have said numerous times that doing the musical is a highlight of my year. Despite all the countless hours put in and the amount of stress I wouldn't give this position up easily. This has been a trying time for me personally as I have had to balance more than usual at this time of year including the birth of our son, Michael.

AS is the case each year I could not have done this without all of the help and dedication of our amazing production team. They are a blessing to this production and more importantly to our students. I can't thank them enough for all they do to help make this show a fantastic experience for all.

In my time here this has been the first year we have really gotten to see the loads of talent we have from our female actors. It's a rarity in theatre to be able to utilize this much girl power in our productions. They have really risen up to the challenge and I am so proud. All of our techies, pit members and actors have done such an amazing job this year as has come to be expected. We always expect the best from our students and they always rise to the occasion. We tell the students every year that our goal is not to put on a "high school" show. We are capable of doing better than that and you will see that they have risen to the challenge once again.

It is my hope is that as you watch this production tonight you will be able to feel of the joy and love that is exemplified in this story. The title of the final number "Spread the Love Around" is a message that I hope we will all embrace. Thank you all for coming and for the support you give to these wonderful students. Please enjoy the show and a special shout out to my amazing family! In particular my beautiful wife, Allison.

WHO'S WHO

- **Alex Arce - *Pit on Guitar***: I have never played in a musical or anything like it. Everything is very new to me and I'm excited to be part of it. I am very happy to have the chance to learn and partake in such an interesting experience.
- **Spencer Avery - *Curtis Jackson***: Spencer recently appeared as Aldolpho Pirelli in the IHSTF All-State production of Sweeney Todd. Previous BHS theatre productions include; Donkey in Shrek, Karl Linder in Clybourne Park and Anon in Anonymous. Spencer also entertained Bolingbrook audiences as Robertson Ay in Theatre on the Hill's Mary Poppins and as a guard in Spamalot. Spencer is a proud member of the National Thespian society and BHS Madrigals.
- **Helena Ball - *Ensemble***: This is Helena's first musical performance at BHS. Helena's acting experience includes plays at Humphrey Middle School and Anonymous at BHS. Helena was on makeup crew this past fall for Clybourne Park. Helena has volunteered at East Aurora High School building sets for Shrek, and doing costumes and makeup for The Laramie Project and Fiddler on the Roof. Helena loves the BHS Cast and Crew and wishes them all the best.
- **Rachel Banda - *Sister Mary Robert***: Rachel (BHS Junior) still doesn't know if this bio is supposed to be written in the first or third person, so she has flipped a coin and decided on third. She feels blessed and thankful to be working with all of the awesome cast, crew, and directors on this show. Rachel also performs in BHS choirs, improv, and was in the 2016 productions of Shrek and Clybourne Park.
- **Sarah Bouhuys - *Sister Mary Theresa***: As a junior, Sarah is very excited to be a part of her third musical at BHS, Sister Act. Along with the spring musical, she is involved in band and choir, as well as other clubs. Sarah is thankful for everyone who helped put this show together and hopes everyone enjoys the production.
- **Haley Carr - *Crew-Flies***: Haley is excited to be a part of her second musical with BHS. She was first a part of Shrek the musical in 2016. She is a proud member of the fly crew and can't wait to be a part of future shows.
- **Dalton Carr - *Crew***: I'm Dalton and I like memes. I also like building stuff. That's about it really.
- **Xavier Chapman - *Pit on Alto Saxophone***: Xavier has been excited to play in the spring musical and will try his absolute best. Xavier has not been able to be in any musicals but will definitely try to be more involved. He's excited to work with everyone involved.
- **Eduardo Chavez - *Assistant Stage Manager, Crew***: Eduardo Chavez is excited to be presenting his last theatrical show in Bolingbrook High School. He's had a blast since Rob-in Hood all the way to Sister Act. He hopes everyone enjoys the show tonight. And he's glad that he's had the chance to meet all these great people, that have made these past four years in the theater department the best he's ever experienced. Enjoy the show and goodnight

- **Luke Chow - Crew:** LUKE ES MUY COOOOOOL
- **Alex Cline - Rigging Chief:** This is my 8th and finally performance as a BHS student. Having done them since freshmen year, both my skill in rigging and appetite for theater has grown. I have been on rigging for all eight shows, becoming Rigging Chief for his third show. I have also worked with the Technical Director, Carl Rupsis on many side shows here at BHS as well. I hope you enjoy the production. DFTBA! ^.^
- **Joshua Coronado - Lighting Crew:** Yeah... Its pretty lit in lights. Lit(erally). Bad pun intended.
- **Veronica Crawley - Michelle, Nun #5, Fantasy Dancer:** Veronica is so excited to perform in her last show at BHS. You may have seen her in the student directed show, "I Was There", as Becca, or in last year's production as Ugly Duckling in "Shrek". Outside of theatre, Veronica plays Clarinet in Concert Band and is a Soprano 2 in Sunrise Singers. Veronica is very thankful to have spent her high school years performing on this stage and is sad to be graduating. She knows you'll enjoy this year's Sister Act and is ready to go out with a bang!
- **Amanda Crisp - Nun #11, Sister Mary Clare:** This is Amanda's first musical here at BHS. She is very excited to be a part of the cast for Sister Act! Amanda has been apart of Brooks Middle School plays since the spring her 6th grade year. She has also been apart of Theater On The Hill's play West Side Story. Once she was given a little taste of what a musical is, she's been excited to preform more! She would like to thank her family for supporting her and for all the friends she has made in this production. Amanda hopes to be apart of future plays and musicals here at BHS.
- **Tara Derong - Pit on Clarinet:** [something witty]
- **Gabby Doyle - Deloris Van Cartier:** Gabby is extremely excited to take on the role of Deloris! You may have seen her as a part of the ensemble in The Mystery of Edwin Drood and as Humpty Dumpty in Shrek. She'd like to thank her dad for always being so supportive of her and her busy schedule. She hopes you enjoy the show because she knows how hard everyone apart of it, including herself, has worked on it. Most importantly, she wants you to always follow your dreams no matter what! P.s. Dad remember when.....
- **Steven Drovie - Student Tech Director:** Normal bios are lame, so here is a "thing" instead: Once upon a time, Steven decided to join tech and his life was changed forever. The people he meet in tech crew were crazy and the casts were talented, and what united both groups was their deep love of theatre. Upon joining tech crew, Steven was asked to join the chaos of lighting for the upcoming fall play, Robin Hood. Steven continued to work under the lighting crew for Joseph and The Technicolor Amazing Dreamcoat, Stage Fright, Drood, Anon(ymous), Shrek, and Clybourne Park. During his time on lights he has progressed from a mere lighting techie to being the Master Electrician (this time spelled correctly...), and has had many fun and stupid moments that have made his journey one of his most enjoyable yet. Today though, Steven has once again progressed within the tech ranks, for Sister Act, Steven has had the pleasure of being the Student Tech Director

(TD(S)). Though he has really no idea what that meant at the beginning of the production, if you ask him now he'll still probably not know, but he'll tell you it was a lot of hard work and fun. Steven never imagined being the TD(S), an assumed he would be behind a lighting board for every show, but now as the TD(S), Steven has a new perspective... Stage Left... with a not so good view. (How does anyone on running crew enjoy a show that they only see from the side of the stage??). As this is Steven's last show he hopes to leave tech crew in a better state than when he joined because that means the seniors, including himself, have been able to leave a positive impact. To all of his fellow cast and crew, "Thank you for the memories over these four years, and may your dreams become reality." and to the audience he thanks you for coming to the show and hopes that you enjoy the it, he knows that as a senior he definitely put his heart and soul into this production because he wanted to go out with a BANG!

- **Morgan Dudaryk - *Sound Crew***: Morgan is ecstatic to be part of the sound crew for Sister Act. As a freshman, she is happy that she had the opportunity to join the tech crew after acting in the student directed plays last fall. Currently, Morgan is also in Wind Symphony and Speech Team. She is looking forward to more experiences over the next three years at BHS and she hopes you enjoy the show!
- **Thomas Foster - *Pit on Saxophone***: This is TJ's first year playing in the pit. He is really excited to learn and perform the music for the audience. He enjoys playing the alto and bari saxophone in several musical ensembles at BHS including Marching Band, Concert Band, Wind Symphony, and Jazz 1.
- **Brynn Ann Frantz - *Mother Superior***: Brynn could not be more excited to be a part of this production. You may have seen her most recently in Shrek the Musical at BHS last spring as Princess Fiona. Her past credits also include West Side Story (Maria), Peter Pan and Wendy (Wendy), and Fiddler on the Roof (Chava). As a senior at BHS, Brynn is a member of Thespian Troupe #3413, Sunrise Singers, Madrigals, and the school's improv troupe, A-Wing It! She would like to thank the directors for always inspiring her, and for making her time at Bolingbrook High School so memorable.
- **Shane Frantz - *TJ***: Shane Frantz is ecstatic to be a part of his first BHS Spring Musical. He has been acting since the age of 6 and has loved it ever since. Recent and notable roles include being an ensemble member in the Paramount Theatre's "The Who's Tommy!" and "Les Misérables", as well as an orphan in Drury Lane's production of "Oliver!". He is also a part of the A-Wing It Improv Troupe, and is working his way into the International Thespian Society. Shane would like to thank the directors, crew, and cast for accepting him (or at least pretending to) as one of the family and hopes to return for future shows at BHS. He also gives a shout-out to his parents, Leif, and Brynn for supporting him all the way, and hopes you enjoy the production!
- **Brittany Gieseler - *Sister Mary John***: Brittany is very excited to be participating in her second musical at Bolingbrook high school. You might have seen her in the last musical Shrek as well as In the choir Sunrise Singers along with Women's Glee. She can not wait

for the future years to come as a student at Bolingbrook high school and hopes to participate in many more theatre productions.

● **Ronald Gonzales - *Pit on Trumpet***: In his first spring musical as a Pit member on Trumpet, Ronald is eager to participate in the Sister Act play alongside his fellow talented pit members and the amazing cast and tech crew.

● **Jacob Greenberg - *Publicity Crew Chief/ House Manager***: Jacob is excited to be apart of his 3rd spring musical at BHS. Jacob has been on the BHS tech crew since freshman year. Jacob is a member of the BHS Symphonic band, Jazz 3, and Marching band. Jacob is also the historian for Thespian troupe #3413.

● **Lalah Greenberg - *Lighting Crew***: Lalah Greenberg is a light techie and is in the Freshman band playing the oboe. But all she wants to say is "Please enjoy the show."

● **Chris Hallum - *Pit on Bass***: I've been playing for 4 years. This is my second musical playing bass in pit.

● **Grace Hand - *Assistant Stage Manager***: This is Grace's third year doing shows at BHS, but her first as an ASM (Assitant Stage Manager). Before this she has worked on sound and mics for the shows. She has been surrounded by theater all her life and her first show ever was Charlie and The Chocolate Factory when she was in third grade. She looks forward to another year of great shows next year.

● **Payton Hixson - *Crew***: Now 6 shows on Tech, through my 3 years in High School I have played an important role in tech, THE TECH CHEERLEADER!

● **Arianna Jackson - *Pit on tenor saxophone***: Arianna is very excited to be participating in the pit for the musical. This is her first time in pit but her eighth year playing the saxophone.

● **Brittany Johnson - *Crew***: Brittany is excited to be on the tech crew for her first musical at BHS. She did paint for Clybourne Park.

● **Derek Johnson - *Joey***: Derek has been doing the musical here at BHS all four years of high school and is excited to close out his time here in Sister Act! His previous roles include being on construction crew for Joseph, playing Deputy/Nick Cricker in Dood (the greatest musical of all time), and the Captain of the Guard in Shrek. He hopes that you all enjoy the show.

● **Nicole Johnson - *Sister Mary Barabara***: Nicole is super excited to be taking part in the Bolingbrook High School Spring Musical. You may have seen Nicole in last year's production of Shrek, as well in the production of The Mystery of Edwin Dood. Nicole would like to thank the directors, cast, crew, and pit for making this year's musical amazing and fun.

● **Alexandra Karafotias - *Sound Chief, Sound Designer***: Alexandra cannot believe her years as an adolescent high schooler are nearly at a close. She has participated in all 8 theatre productions as a student at BHS. And now, we shall list all productions Alexandra has been a part of. Here we go! Please keep your hands and feet inside the car at all times! Enjoy the ride! High school productions: Robin Hood, Joseph and the Amazing Technicolor Dreamcoat, Stage Fright, The Mystery of Edwin Dood, Anonymous, Shrek

the Musical, and Clybourne Park. Theatre on the Hill: Mary Poppins, West Side Story, Annie Jr., and A Midsummer Night's Dream. Sound is her expertise but she does take the chance to show her skills onstage! She made her debut as an actor in the 2015 Madrigal Dinner as Jester 2, showing off her amazing comedic talents. Alexandra will be attending Illinois State University in the fall, hoping to continue her passion in theatre. She hopes you enjoy her very last show at BHS, and is honored to be a part of such a wonderful theatre department. Shout out to her parents for introducing her to the fine arts and making sure she sticks with it. They taught her to never give up. She loves them! But one important shout out is to the one and only, Carl Rupsis. Carl...oh...sorry...Mr. Rupsis has taught her everything she knows about sound engineering. With great laughs, and fantastic memories, Alexandra can never thank Carl enough for teaching the ways of sounding the stage. Señor Carlito will never perish. Alexandra hopes you've made it to the end of her bio, and also hopes you receive as much feta cheese as possible! OPA!

- **George Karafotias - *Lighting Crew*:** And George said, "Let there be light", and then there was light. **drops mic**
- **Richard Konieczny - *Pit on Trombone*:** Being a Freshman i am excited to try being in the pit band. As a part of the school i decided to try out the pit for the musical. So i heard they would need more players so i said hey lets give this a shot and joined the pit. Hopefully i will enjoy this experience and am excited to play with my peers
- **Dana Kupec - *Pit on percussion*:** Dana has been playing percussion for seven years now and this is her third time playing in the pit for the musicals at BHS. This is also her third year in Wind Symphony, and she played snare drum in the Raider Marching Band for three years. Playing percussion in Sister Act is a great way to wrap up her senior year.
- **Cristina La - *Sister Mary Michael*:** Cristina is very excited to be a nun in Sister Act this year. You also might've seen her, Shrek: The Musical, Sunrise Singers and the Marching Raiders.
- **Carrieana Larry - *Tina, Fantasy Dancer, and Nun #7*:** Carrieana is really excited to be in another BHS Spring Musical. You may have noticed her in last year production "Shrek The Musical" as the White Rabbit and Dulocian. She is currently in Women's Glee as a soprano one and she is also in Thespians.
